
YOUR DATA - FAIR USE STATEMENT

By entering this competition, you accept that the organisers or officials of the sport may use personal data, provided by you, to administer the sport of canoe slalom including but not limited to:

- Sharing your data with IT systems that support the sport such as entry, ranking and results systems.
- Sharing your data with organisers of the competitions that you enter, with the Slalom Committee and other slalom officials, and with British Canoeing and the Home Nations.
- Sending you necessary information regarding competitions that you enter (usually by email via the competition organiser).
- Sending you occasional generic information about the sport, in particular, but not limited to, the Year Book.
- Publishing appropriate information, including your name, club and age category, on publicly available lists, including but not limited to start lists, results lists and ranking lists.

The data that appears on published lists may be held indefinitely, so that historical records of results and rankings can be retained. The full privacy policy for British Canoeing (the parent body that covers all canoe slalom ranking competitions) is available at <https://www.britishcanoeing.org.uk/about/privacy-centre#privacy-notices>.

If you have any questions about the continuing privacy of your personal data please contact your Ranking Officer (*div 3 and above*) or the Chair of the Slalom Committee slalom.chair@vol.britishcanoeing.org.uk.

For further information on your rights regarding your personal data, please visit www.ico.org.uk
